SURE CURE FOR COUGH.

Twenty-five Years' Constant Use Without a Failure.

The first indication of cough is hoarseness, and in a child subject to that disease it may be taken as a sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by all druggists.

A woman notary public in Colorado, who was recently married, asked the attorney general what name she should use officially in the future. He has replied that she must sign all documents as before marriage, for he finds no law compelling or even authorizing a woman to drop her maiden name on the simple excuse of marriage. In fact, he says, there is no authority for a change of name at marriage or at any other time.

LaGrippe, with its after effects, annually destroys thousands of people. It may be quickly cured by One Minute Cough Cure, the only remedy that produces immediate results in coughs, colds, croup, bronchitis, pneumonia and throat and lung troubles. It will prevent consumption. Copper Queen store.

"J. D. Bridges, editor Democrat, Lancaster, N. H., says: 'One Minute Cough Cure is the best remedy for croup I ever used. Immediately relieves and cures coughs, colds, croup, asthma, pneumonia, bronchitis, grippe and all throat and lung troubles. It prevents consumption. Copper Queen store.'

If you are downhearted, deep in business troubles, there is one prescription that is sure to benefit you. The old maxim that "a hearty laugh is the best of sauces" contains more truth than a great many people think, and the physician who can give you more laughs in a single evening than Barney Ferguson is yet to be born. A long, hearty laugh is a pleasant prescription to take, and you should join the merry throng of patients at the opera house Dec. 22.

Mohi Tea positively cures sick headache and constipation. A delightful drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts. and 50 cts. For sale at Bisbee Drug Store.

The Copper Era says: the great concentrating plant of the Detroit Copper Mining company, at Morenci, which will be started up about January first, will be the largest of the kind in America, and probably the largest in the world. The plant is supplied with seven pumps, four of which will be running all the time, keeping in circulation 1400 gallons of water. The capacity of the mill will be 600 tons and from 200 to 250 tons of ore will be running constantly.

Gorton's minstrels came in yesterday in their private car. Last evening their performance at the opera house drew a crowded house. Standing room was very limited when the performance commenced. The minstrels gave a most excellent entertainment, of a clean, wholesome character. In his round today the Ozma had met many who saw the Gorton's last night, and the universal verdict was unqualifiedly favorable.

WANTED—Sitting as clerk or sales lady, by one who is well acquainted here and thoroughly competent. For address apply at this office. 04-4

County Recorder Marvin today received a letter from J. H. Maxey, dated New York. Mr. Maxey and "Big Al" Neville are engaged in shipping stock to Cuba from Texas and are making lots of money. Christmas!

CHRISTMAS!

CHRISTMAS!

CHRISTMAS!

There is a holiday aspect about the store now. The toys, and the counters and tables full of goods, herald the approach of Christmas as surely as if there were no calendars. The toy store is perhaps the most interesting spot, at least to the mind of every little child, and undoubtedly every little child's parent. There are dolls that are almost human, with real hair and eyes that open and close; steam engines that run with a puff! just like big engines; toys that do all sorts of antics by simply winding up; toy guns, swords and equipment for the martial-spirited boy; trains of cars, wagons and all sorts of things to go by pulling or pushing. Noah in his ark never had such animals as you'll find here in make-believe. There's an almost indescribable array of little things, but to the childish heart how big and wonderful. Come and bring the children. Let them drop a letter in Santa Claus' mail box (in the Furniture Ware room).

OR MEN

What to give, that's the question. It shouldn't be so hard to decide.

There's Neckwear, not the usual Christmas, hand-knitted sort that men thank you for and never wear, but Neckwear in patterns and colorings and shapes, all in good taste. Just a little finer in quality, perhaps.

Suspenders, of silk or satin, some embroidered with fleur de lie and other designs; white kid ends and sterling silver or gold plated buckles, neatly boxed. These are not the usual gift suspenders, but are strictly high grade; \$1.75 to \$3.50.

FANCY VESTS. You're likely not thought of these as a present, but they are none the less acceptable. Men's clothing at its joyest is sombre enough. Fashion now sanctions a touch of color in Fancy Vests; \$4 each.

Tek Fancy Shirts, a suit of Pajamas, a Mackintosh or Umbrella. There's no end of things in our Men's Furnishing Stock that will make appropriate presents for the father, the brother or—

CALENDARS FOR 1900

Pleasant reminders of Time's flight. Dainty, artistic little affairs, tied with silk cord or ribbons; 35 cents to \$1. It's the thought, not the amount, that counts in giving.

STERLING SILVER NOVELTIES

Nail files, paper cutters, seals, blot- ters, ink stands, cuticle knives, hat brushes, whisk brooms, tooth brushes, tooth-brush holders, nail polishers, cold cream jars.

Hair, military, nail, cloth and baby brushes, with ebony backs, mounted with sterling silver.

Ebony, imitation shell and ivory combs mounted with sterling silver and silver work.

A host of little things, inexpensive, but thoroughly appropriate. It's surprising what a dollar will do in this stock.

CUTLERY AND PLATED WARE

Through a fortunate purchase we are enabled to sell Rogers' AA plated spoons at \$2 and \$1 a dozen for the tea and table sizes respectively. We've usually gotten a dollar more a dozen for these.

CARVING SETS

An elaborate five-piece set, pearl handles, with solid silver trimmings, at \$28. A good, serviceable set for \$2. Plenty at prices between these extremes.

Pocket knives—an assortment that comprises knives for every need.

All at the hardware counter.

In Your List of What to Give Have You Included Furniture?

The word Furniture is so apt to suggest cumbersome, expensive pieces that you've probably overlooked the possibilities of Furniture in getting you out of the quandary of "what to give." A Morris chair, dressing table, small center table, a rocker, fancy mirror. Is this home enough?
